7 ROBERT DAVID STEELE, ET. AL.

Case No.: 3:17-CV-601-MHL

8 Plaintiff,

9 vs.

DECLARATION OF D.
GEORGE SWEIGERT

10 JASON GOODMAN, ET. AL.

Defendant

11 **THIRD DECLARATION OF D. GEORGE SWEIGERT**

12 Now comes D. George Sweigert, a non-attorney layman, to inform this Court of recent allegations and accusations
13 made by defendant Jason Goodman concerning an alleged attempted murder plot by the undersigned of Mr.
14 Goodman’s associate known as “Quinn Michaels” aka Korey Atkin or Corey Atkin.

15 **I. ALLEGED NEW MEXICO ASSASSINATION ATTEMPT OF QUINN MICHAELS**

16 Defendant Jason Goodman has made an extensive series of videos with the “CrowdSource The Truth
17 Researcher” Quinn Michaels (Atkin). As recently as May 22, 2018, both (a) defendant Goodman and (b) Quinn
18 Michaels have appeared on a radio show together as depicted in Exhibit One [Exh. 1].

19 On a YouTube show on the “CrowdSource The Truth 2.0” (CSTT @.) channel defendant Goodman
20 interviewed CSTT 2.0 researcher Q. Michaels. At 1:12:22 Mr. Goodman states, “Right. And Dave [the
21 undersigned] implores me to present the evidence that we have that indicates that he [the undersigned] knew your
22 [Quinn] location in Vaugh, New Mexico. [Goodman looking at camera] But, Dave I don’t need to do that because
23 you know that you knew where Quinn was in Vaugh, New Mexico right before his [Quinn] lung collapsed
24 spontaneously.” See Exhibit Two [Exh. 2]

25 I hereby DENY all allegations and accusations made by Mr. Goodman that I had ANY knowledge –
26 whatsoever – that CSTT 2.0’s researcher (Quinn Michaels) was in New Mexico – much less the city of Vaughn –
27 when Quinn Michaels suffered a collapsed lung. This entire stream of logic is denied in all its forms by the
28 undersigned.

DECLARATION OF D.GEORGE SWEIGERT - 1

1
2 **II. SOLICITATION OF FUNDS BY THE DEFENDANT**

3
4 As with all the videos posted by Mr. Goodman on YouTube a solicitation is included for the public to
5 provide Goodman's operation monies. See Exh. 2 – part b. Quoted here:

18 Mr. Goodman and his enterprise.

Artificial Intelligence is now taking over the world. It is not about to, it is not going to, it is not waiting to - it is doing it now. Artificial Intelligence is now taking over the world. It is not about to, it is not going to, it is not waiting to - it is doing it now. Artificial Intelligence is now morphing into a tool for augmenting reality and bots that function without human permission are now speaking to us in social media, the media parrots what it reads, and humans accept it as reality and it may not even be reality. The algorithm is the new authority — and its pervasiveness is the new evil. On tonight's show, Clyde Lewis talks with filmmaker and independent investigative journalist, Jason Goodman and AI Developer, Quinn Michaels about ALGORITHM METHOD.

7 **I am writing in response to notice CP-406 received 03-21-2016. This letter**
8 **informed me of non-response to a request for filing form 5500SF for the year 2013.**
9 **Upon investigating this matter with my accountant, former 401k plan manager, and**
10 **payroll company, I have learned that my failure to file was due to a non-receipt of**
11 **notification from my payroll company and my personal misunderstanding that**
12 **termination of the plan would not forego filing. The payroll company in previous**
13 **years had notified me by email of the filing details. Due to the business closure in**
14 **2013, I had lost access to the email address that was previously used to notify me. I**
15 **have restored my access to this email address, located the appropriate information**
16 **necessary to file, and prepared the filing as directed.**

17 **I realize this may be a poor excuse for non-compliance, but I hope you will**
18 **understand and if possible, choose to waive any potential late fees. The business**
19 **closed due to financial difficulties, and those difficulties persist. This would make**
20 **payment of substantial late fees (which I would imagine have accrued over 3 years)**
21 **very difficult to say the least. I hope you understand that in the process of laying off**
22 **all employees, closing the offices and losing virtually all assets, this important detail**
23 **was missed by me. I sincerely apologize for this oversight and certainly hope it is**
24 **within the ability of the recipient of this letter to authorize the waiver of any**

26 **Thank you for your kind attention to this matter.**
